

**Request for Proposals for One Stop Operator  
Frequently Asked Questions**

*updated 4/27/2021*

**Q: Are there plans to bid Career Services?**

*Yes. Career Services for Adult, Dislocated Worker, and Youth programming will be procured in the next year. Our current procurement cycle actually extends through June 30, 2022; however, our board moved to procure the OSO this year to allow time to stabilize before we procure career services.*
